

WAREHOUSE Moving Sale

GARDNER-WHITE

the lowest prices in history!

Gardner-White is moving to a new, modernized distribution center in Auburn Hills.

After being in the same warehouse for the last 35 years, Gardner-White's challenge will be moving more than 30,000 pieces of furniture and 6,000 mattress sets.

STEVE TRACEY

"We can't move it. We'd rather sell it at drastically reduced prices," said Steve Tracey, president.

For customers looking for the deal of a lifetime, this is it. During this moving sale Gardner-White will give customers an additional 30% off every sale price – in every store.

"This is the biggest inventory reduction sale ever. We don't want to sell it this low – we have to," states Tracey.
